

OLIVE AP- HOME LEARNING

**How we support
learning from
home**

How We Do Home Learning

We teach the same curriculum remotely as we do in school. However, we have needed to make some adaptations in some areas. We use a mixture of physical resources that we have sent home to you, some online learning and some live lessons and catch ups through Class DOJO. Each class has a pack and plan of prepared resources to support learning from home. This plan will as best as possible, fit with the school learning experience and the curriculum your child will usually follow, and will be set individually for you by your child's teacher.

Remote Learning timetable for each class are included at the end of this guide.

Sharing Children's Work With Teachers

Families can return work, pictures, artwork and all physical resources back to teachers for feedback through Class Dojo

ClassDojo

Take Breaks

It's simple advice - and you can't underestimate the power of breaks.

Add it to your schedule and make it fun—or be spontaneous and flexible and take it when you can.

Olive Academies

Other Ways To Learn

Looking at books and reading, life skills at home, playing board games, dressing up, building camps and indoor dens, role play, listening to music, going for a daily walk, pretend and cooperative play, an indoor picnic, LEGO, creative play etc. also provide great learning opportunities. This builds part of our learning day! If you can, take a picture and send it to your teacher through Class Dojo.

Keeping in Touch and Giving Feedback

Your teacher will be in regular contact with you - we will check how you are, share stories of the week, help you with the work you are doing and send more if necessary. We will make sure you have the resources you need and gain feedback on how your child is doing.

Free Resources

We provide most of the materials you will need for lessons, but you can also make use of other resources like worksheets available online to support or expand it.

- [Education City](#) through which they can have mini lessons, complete tasks and gain instant feedback (your child will have been given log in details)
- [BBC Bitesize Lockdown learning](#) with the BBC in 2021 - BBC Bitesize
- [CBeebies](#) apps are free to download, completely safe for young children and have no adverts or in-app purchases.

Be Flexible

Learning from home can be difficult, new, and frustrating. Facilitate your child's study schedule closely, but be flexible to change it up based on your child's learning tendencies and emotional state at the time.

Laptop Loan

Where a laptop has been loaned to a pupil for the purposes of remote learning it is your responsibility to ensure that it is not harmed in any way - any breakages or damages will be invoiced. You will be aware from the letter you have received that the laptop is to be used **only** for the purposes of remote learning.

If you haven't done so please return the Pupil Laptop Agreement Form as a matter of urgency.

SAFEGUARDING

If you have any safeguarding concerns during the remote learning week our safeguarding team will be available to help and support you - please contact the school office in the first instance if you need to speak to someone.

Attendance

Pupils are expected to attend live lessons and registers will be taken at the start of the lesson as normal. Where a pupil is not present contact will be made home.

Off-Site Provision

Where your child receives regular off-site learning this will continue during the remote learning week unless we have contacted you to advise otherwise.

Notice to all Parents of Pupils in Receipt of Free School Meals

During remote learning week a voucher will be sent to all parents whose children are eligible for Free School Meals. This voucher will cover the cost of your child's lunch for the days that they are not in school and not participating in any other provision. The voucher will be sent in the next few days via e-mail or the post, please check your junk box regularly just incase they have gone directly there.

If you have any problems, then please ring the Academy on 01449 613931.

Please note this payment is separate to the Edenred Christmas holiday vouchers that we have issued to you with the support of Suffolk County Council.

Contact Us

If you need general help or have any questions please contact our office team at the academy on:
